INVENTOR'S DECLARATION AND POWER OF ATTORNEY

As the below named inventor, I hereby declare that my residence, post office address and citizenship is as stated below next to my name; I believe I am the original, first inventor of the subject matter which is claimed and for which a utility patent is sought on the invention entitled: **METHOD AND APPARATUS FOR CANCELLATION OF UNWANTED SIGNALS IN MWD ACOUSTIC TOOLS**, the specification of which was filed September 21, 2001 and assigned Serial No. 09/937,088.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in Title 37, Code of Federal Regulations, § 1.56.

I hereby claim foreign priority benefits under Title 35, United States Code, §§ 119(a)-(d) or 365(b) of any foreign application(s) for patent or inventor's certificate, or 365(a) of any PCT international application which designated at least one country other than the United States of America, listed below and have also identified below any foreign application for patent or inventor's certificate or of any PCT international application having a filing date before that of the application on which priority is claimed:

Prior Foreign Application(s): NONE

We hereby claim the benefit under Title 35, United States Code, § 119(e) of any United States provisional application(s) listed below:

Prior United States Provisional Application(s): None.

We hereby claim the benefit under Title 35, United States Code § 120 of any United States patent application(s), or § 365(c) of any PCT international application designating the United States of America, listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States or PCT international application in the manner provided by the first paragraph of Title 35, United States Code § 112, I acknowledge the duty to disclose information which is material to patentability as defined in Title 37, Code of Federal Regulations § 1.56 which became available between the filing date of the prior application and the national or PCT international filing date of this application:

Prior U.S. or PCT Parent Application(s):
U.S. Patent Serial No. 08/954,508, filed 20 October 1997,

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

I hereby revoke any previous Powers of Attorney and appoint Mark A. Kammer, Reg. No. 34,197; Courtenay B. Allen, Reg. No. 43,469; Gale R. Peterson, Reg. No. 28,823; Pamela B. Huff, Reg.
